Here at Outdoor Impressions, quality and service are a vital part of our business. But that is only part of our story. As implied by our name, we believe the 'great outdoors' is truly impressive. It is our belief that part of what makes it so great is the One who created it.

As we design and build quality furniture for your use as you enjoy the beauty of nature, it is our desire that your time spent outdoors inspires you to worship our Creator. Is this not why we are here, after all?

Thank-you for considering us! As a family-owned business ourselves, we believe family is very important. We hope you will make many enjoyable memories together in the 'great outdoors'. And as you reflect on the beauty of nature, may our Creator God draw you into a deeper relationship with Him, through His Son our Savior, Jesus Christ. Only then will the true mission of Outdoor Impressions be fulfilled.

100% Recycled Materials

Our poly furniture is built with high density polyethylene (HDPE) which is made out of recycled bottles such as milk jugs. Every piece of lawn furniture created helps reduce landfill waste.

Stainless Steel Hardware

Stainless steel hardware is known for its durability and resistance to staining, rust, etc. We only use the highest quality stainless steel mounting hardware.

Maintenance Free

Wind, rain, heat, cold and sunlight lead to cracking, warping, and rotting of traditional wooden furniture. Rest assured, your poly furniture will not do the same.

Fade Resistant

There is no need to worry about repainting or refinishing poly furniture like traditional wooden furniture. Our poly furniture is completely fade resistant.

Weather Resistant

Put our furniture in your yard and leave it there for good. Natural elements such as rain and snow will not harm your poly furniture.

FEEDBACK

We saw patio furniture in a showroom in Fort Wayne made out of this wonderful material. We heard about Outdoor Impressions from friends. The people of Outdoor Impressions custom made what we wanted to the same or higher standards of what we saw in Fort Wayne, at 2/3rds the price. We couldn't be happier.

Randy & Dianne Beer - Berne, IN

Very comfortable, holds up well. We want to add to our pieces. Doesn't fade, we are very happy. We highly recommend it!

Mike Biberstine - Berne, IN

Absolutely love it! The nice thing is you can leave it out all year. Cleans up nice. Well built. We have received many compliments on this great product.

Scott & Tena Fredrickson - Montpelier, IN

#510 - Classic Swivel Glider - Tudor Brown
#417 - 21" Round End Table - Tudor Brown

CLASSIC

Our most popular offering, the flared fan shaped back with its deep side-to-side contour combines an elegant, sweeping composition with the ultimate in body comfort. Look no further for the perfect addition to your backyard escape.

#910 - Imperial Swivel Glider - Cherry Wood/Black
#417 - 21" Round End Table - Cherry Wood/Black

IMPERIAL

The Imperial collection is Outdoor Impressions' signature touchstone of creative artistry and craftsmanship. Countoured back support adds to this functional and beautiful design. The Imperial collection is special, and it needs a special place. How about your backyard retreat?

#110 - Rollback Swivel Glider - Tudor Brown
#402 - Deluxe End Table - Tudor Brown

ROLLBACK

Aptly named, the curvature in the Rollback's design offers unmatched comfort. Lay your head on the slats of the high roll-top, rest your elbows on the scalloped armrests and count to five. The lower lumbar support puts you in a high level comfort zone. You'll have all kinds of good things to say about it . . . after you wake up.

#204 - Plainback 4' Glider - Cherry Wood/Black

PLAINBACK

The Plainback is just that, a pattern of alternating slat and gap. Yet it has an appeal all of its own, a rustic impression easy to look at and like. Outstanding back support along with curved armrests are key features. Put it all together and you understand why the Plainback is so popular.

#415 - 8' Dining Table - Dove Gray/Black
#914 - Imperial Dining Chair - Dove Gray/Black

DINING

From casual family cookouts to formal outdoor dinner parties, nothing is quite as versatile as a poly dining table. Our tables are available in a variety of styles and sizes sure to compliment any backyard or patio.

POLYWOOD COLORS

All products can be ordered in color/color combo unless otherwise noted.

Standard Colors

Premium Colors

Color Combos

Furniture can be ordered in any color combo. Our most popular combos are featured above.

CARE & MAINTENANCE

Our polywood outdoor furniture is made from High Density Polyethylene (HDPE). HDPE is an extremely durable plastic made of recycled materials that will never need painting or staining. It will not rot or splinter and is not affected by most corrosive substances. It resists the fading effects of sunlight with an added UV inhibitor and does not promote bacterial growth.

You may find it necessary to clean your furniture to keep it looking new. Simply use a non-abrasive soap and warm water several times a year to keep it clean. White (and all lighter colors) may need to be cleaned more often than darker colors. Sometimes you may need to use a more thorough approach if soap and warm water are no longer as effective. First try scrubbing with a soft brush along with non-abrasive cleaners. You can

also use a pressure washer to clean your furniture. Never bring the tip of the pressure washer closer than 8" – 12" or it will damage the surface of the furniture.

Placing flower pots or any other items onto the furniture may leave a stain. Always use a barrier such as a pot saucer or other item to keep these materials from contacting the surface of the furniture. Do not place hot items directly onto furniture to avoid melting.

All fasteners used on furniture built by Outdoor Impressions are stainless steel. However in extreme environments, where stainless comes in contact with salt water or mist such as coastal areas, you must regularly rinse with fresh water to ensure to that your furniture will last.

With proper care, you will be able to relax in your fine piece of furniture for many years!

PRODUCT WARRANTY

FIFTEEN (15) YEAR LIMITED RESIDENTIAL WARRANTY
FIVE (5) YEAR LIMITED COMMERCIAL WARRANTY

Outdoor Impressions, LLC. (hereafter referred to as "Outdoor Impressions") warrants to the original purchaser that our polywood outdoor furniture products (hereafter referred to as "product", "the product" or "this product") will be free of original defects in workmanship and materials for a period of fifteen (15) years residential / five (5) years commercial use starting with original invoice date. At our option, Outdoor Impressions will repair or replace the product in question at no charge for parts and labor, provided that an inspection by us or one of our dealers indicates that such a defect exists. If we choose to replace the aforementioned product and the product is no longer available at the time warranty service is required, a substitution of equal or greater value and similar function will be made.

This same warranty applies to all stainless steel fasteners that are originally installed in this product. Swivels are guaranteed not to fail for a period of one (1) year.

Polyethylene is a synthetic product that may scratch or show signs of wear with time and use. It may fade slightly when exposed to sunlight or show staining after contact with other substances. Some expansion and contraction is considered normal when exposed to extreme changes in temperature or humidity. The aforementioned shall not be considered defects in materials or workmanship and are not covered under this warranty.

This warranty does not cover scratching or chipping of the polyethylene materials used

in this product. However, this does not limit your rights or any remedies offered by the manufacturer of the polyethylene as they may apply to you.

Stainless steel can corrode or rust in certain environments (e.g. coastal areas, salt water pools, etc.) if not properly maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners. It also does not cover damage caused by unauthorized service or repair, alteration of this product, abuse or misuse, normal wear and tear of materials, or any use or attempt to use the product for a purpose or in a manner than for which it is customarily intended.

To file a warranty claim, please contact your local dealer or Outdoor Impressions LLC. at:
